MISSIONS

# CALIFORNIA MISSION PROJECT

Fourth grade just wouldn't be complete without a California mission study. With this said, students will be working on some amazing written reports & projects at home. We are asking each student to write a written report, create a mission model and present a power point presentation on zoom to their fellow classmates.

## **MISSION REPORT: Due May 18th**

We are asking students to complete a 6+ paragraph typed essay about the mission they selected. Note pages and a planning outline are attached.

## **POWERPOINT PRESENTATION: Due May 28th**

Students will also give an ORAL PRESENTATION to the class about their mission project on Zoom . A power point presentation outline is attached.

## **MISSION MODEL: Due May 28th**

Make a **mission model**. This can be created from any material. Some helpful elements are wood, styrofoam, clay, cardboard, sugar cubes, popsicle sticks, noodles, sandpaper, Legos, etc. **NO KITS**

## **ALLOWED**

We kindly ask that students are actively involved in the entire process, parents please allow the students to use their imagination and creativity.

MISSION PROJECTS ARE DUE ON May 18<sup>th</sup> & 28<sup>th</sup>.
